

2012

1. Studies on age related durability of plantation-grown timbers. (2005- 2012) PI: H.C. Nagaveni
2. Studies on the natural resistance of imported woods against insects and decay fungi in Indian environment (2007-2012) PI: Dr. R. Sundarraj
3. Characterization of marine lignicolous fungi in traditional wooden craft (2008-2012) PI: Dr. M. Balaji
4. Performance of Coatings on Modified Wood Surfaces (2008-2012) PI: Dr. K.K. Pandey
5. Studies on scale up of protocols for in vitro propagation, hardening, production of cloned plants and establishment of field trials of Sandalwood (*Santalum album* L). (2008-2012) PI: Dr. Geeta Joshi
6. Biodiversity of Wood Inhabiting Fungi in the rainforests of Makutta, Western Ghats (2009-2012) Dr. Muthukumar
7. Development of Commercial Timber Information System (CTIS) (2009-2012) PI: V. Soundararajan
8. Fatty oil composition and utilization of lesser known Tree Borne Oil Seeds (TBOs) *Givotia rottleriformis* Griff., *Madhuca insignis* (Radlk.) H.J. Lam., *Shorea tumbuggaia* Roxb., *Poeciloneuron indicum* Bedd., *Hopea parviflora* Bedd., *Mesua ferrea* Linn. and *Balanites roxburghii* G. Planch. (2009-2012) PI: Dr. S. Mohan
9. *Garcinia indica* Choisy: Pharmacological evaluation of the extract/ active principle for anti diabetic property PI: Chandrashekar B.S. (2009-2012)
10. Investigations on fungal diseases and insect pests in forest nurseries of selected forestry species and their management (2009-2012) PI: H.C. Nagaveni
11. Standardization of flower induction schedule in *Tectona grandis* CSO and its impact on fruit set (2009-2012) PI: Dr. Ashuthosh Srivastava
12. Studies on Co-polymerization kinetics using filler supported catalyst at system (2009-2012) PI: Dr. Ajay Karmarkar
13. Studies on chemical modification of wood and its Thermo plasticization (2009-2012) PI: Dr K.K Pandey
14. Study on microwave assisted extraction and transesterification of *Pongamia* (2009-2012) PI: Ritesh Kumar D. Ram
15. Developing mathematical models for understanding infestation patterns of herbivorous insect pests (2010-2012) PI: Y.B. Srinivasa
