ENGAGEMENT OF CIVIL ENGINEERS (Retired)

TFRI proposes to engage the services on contractual basis of Civil Engineers (Retired from Govt. department) with experience in water harvesting structures, @ lump sum amount per watershed (per samittee) without any TA/DA, to be the part of evaluation team of TFRI to assist in evaluation the civil structures carried out under the Bundelkhand Special Package Phase – II 2013-14 to 2016-17 in six districts i.e. Damoh, Datia, Sagar, Chhattarpur, Panna and Tikamgarh. A samittee (watershed) is generally expected to consist around 5 to 10 water harvesting structures (percolation pit / tank / storage tank / dykes / stop dam / check dam etc.). The engaged civil engineer has to be the part of team from TFRI to inspect and evaluate the structures and provide his detail inspection / evaluation report to the concerned evaluation team leader. The evaluation work is to be completed between November 2016 to April 2017. Interested Retired Civil Engineers may send their offers for the evaluation work of civil structures per watershed (per samittee) to the Office of The Director, Tropical Forest Research Institute, Jabalpur along with their biodata in the prescribed format and supporting documents on or before 04.11.2016, 15:00 hrs. The details may also be available in our website : <http://tfri.icfre.gov.in>
