Minister of State (IC) for Environment, Forest and Climate Change, Govt. of India visited Advanced Research Centre for Bamboo and Rattan. Aizawl, Mizoram

Shri Prakash Javadekar, Hon'ble Minister of State (Independent Charge) for Environment, Forest & Climate Change, Government of India visited Advanced Research Centre for Bamboo and Rattan (ARCBR), Bethlehem Vengthlang, Aizawl, Mizoram on 9th January, 2016 and later participated in a 'Farmers' Meet' organized by Environment and Forest department, Government of Mizoram at Forest Training School, situated in the vicinity of ARCBR campus.

He was accompanied with Shri Lalrinmawia Ralte Hon'ble Minister of Environment, Forest and Climate Change, Government of Mizoram; Dr. Anil Kumar, Additional Director General of Forests, MoEF&CC, Govt. of India, and Sh. Lalramthanga, PCCF, Government of Mizoram.

On arrival at the research centre's premises, he chaired a session in the conference hall of ARCBR where he was briefed about the research activities of the centre by Sh. Hans Raj, Scientist C & officer in charge Director, ARCBR. The session started in a traditional Mizo way when Young Mizo Association (YMA) College Veng branch choir welcomed the minister with a welcome song. Hon'ble Minister took keen interest on different research and development activities of the centre while visiting various stalls in the Exhibition. He interacted with the Scientists and other research personnel present in the stalls and got acquainted with findings of various research projects conducted by the centre.

Subsequently, Hon'ble Minister visited the Forest Training School, Bethlehem Vengthlang where he inaugurated an academic building (under the loan from Japan International Cooperation Agency) and also interacted with the farmers, tree growers, bamboo artisans, craftsmen, forest department officials, and all other audience present.

Addressing the public gathering, Hon'ble Minister stressed the importance of forests of Mizoram and also highlighted the urgent need to conserve them in a sustainable manner. He also pointed out that Mizoram is very rich in Bamboo

resources and therefore, it's a high time to develop industrial products at a commercial scale. He said that, "My motto is 'Development without Destruction' and while pursuing the goal of development, we must to conserve and protect our flora and fauna. In this aspect the central and state authorities should work together to achieve the goal."

Stating the role of public in forest protection the Minister said, "If the real protectors, the people, do not participate protection will not be successful." He said, "Mizoram and other North-Eastern states are the treasure of forests in India from MoEF & CC perspective."
