

## Participation of Rain Forest Research Institute, Jorhat in Science Exhibition on the occasion of Jorhat Book Fair

Rain Forest Research Institute, Jorhat showcased its research and extension activities in a Science Exhibition, organized jointly by Assam Academic Centre, Jorhat and National Book Trust at Jorhat Book Fair from 15<sup>th</sup> - 23<sup>rd</sup> October, 2011. During the period of exhibition different technologies, research and extension works of RFRI were demonstrated at the Stall of the Institute. Scientists of RFRI also presented their posters for the public viewing in the Stall. People from various walks of life like Academia, Students, government officials, local villagers, NGO representatives visited the Stall and discussed with the Scientists present about different forestry research and extension activities of the Institute. Main attractions of the people were R & D activities on bamboo, product diversification of bamboo and community participation in forestry sector. Appreciation of stall was also recorded in the visitors' book of RFRI. The entire event was successfully conducted by a team of officials led by Dr. Vikas Rana.
