

## Participation of RFRI in the Science Exhibition at World Tea Science Congress

RFRI participated in the Science Exhibition organized on the occasion of World Tea Science Congress of Tocklai Experimental Station (Tea Research Association) held at Jorhat from 22-24 November, 2011. The Congress was inaugurated by His Excellency Dr. A. P. J. Abdul Kalam, former President of India. The Science Exhibition was inaugurated by Sri M. G. V. K. Bhanu, Chairman, Indian Tea Board.

RFRI showcased its exhibits in this Exhibition. A large number of visitors from India as well from abroad visited the RFRI Stall and appreciated the R & D activities of RFRI. Most of the visitors showed their keen interest on bamboo and bamboo products.
