

Workshop on Rhizosphere soil collection: methods and techniques for isolation of PGPRS (20/05/2025)
राइजोस्फीयर मृदा संग्रहण पर कार्यशाला: पीजीपीआरएस के अलगाव के लिए तरीके और तकनीक (20/05/2025)

A Workshop on RHIZOSPHERE SOIL COLLECTION: METHODS AND TECHNIQUES FOR ISOLATION OF PGPRS was successfully conducted under CIL project, at the Nursery, Forest Protection Division, ICFRE-TFRI, Jabalpur, on 20th May 2025. Dr. Darshan K, Scientist-C, demonstrated the methodology for rhizosphere soil collection for PGPR studies, While, Dr. Jangam Deepika, Scientist-C, showcased soil collection techniques for physico-chemical analysis. All Co-PIs and members associated with the CIL project actively participated and gained valuable insights for conducting soil sampling at their respective research sites.
